Wiley's Physics Refresher Course for NEET

By Anand Srivastava

Paperback 9788126576289 **₹499.00**

Pages: 528

Description

Wiley Physics Refresher Course for NEET is a book that caters to the last step preparation needs of NEET aspirants. The aim of the book is to help students review important concepts, attempt questions and use the explanations provided to learn the best way to approach similar questions. The mock tests at the end of the book are for self-evaluation at the preparation level.

About the Author

Anand Srivastava

Anand Srivastava has done his post-graduation [M.Tech (Environmental Engg.) from Delhi University and his graduation [B.Tech. (Civil Engg.)] from NIT, Allahabad. He, in his earlier career days, has worked as an Environmental Engineer in an Italian MNC. He started his teaching career from Aakash Institute, Delhi – a pioneer institute in pre-medical coaching. Following that, he taught Physics in a number of top-notch coaching institutes across India. His teaching skills and desire for teaching have driven him to conduct various counselling and motivational sessions for Medical / Engineering aspirants across North India. Presently, he is teaching Physics in Sarwar Classes

Table of Contents

1. Units and Measurements
