Decision Making for Dummies

By Dawna Jones

Paperback 9788126554416 **₹849.00**

Pages: 388

Description

Today's business leaders have to face the facts-you can't separate leadership from decision making. The importance of making decisions, no matter how big or small, cannot be overstated. Decision Making for Dummies is a candid resource that helps leaders understands the impact of their choices, not only on business, but also on their credibility and reputation. Designed for managers, business owners and anyone else who makes tough decisions on a daily basis, this guide helps you figure out if the decisions you're making are the right ones. In addition to helping you explore how to evaluate your choices, the books covers ways to receive support for decision making, delves into various decision-making styles, reviews the importance of sifting through data and information.
