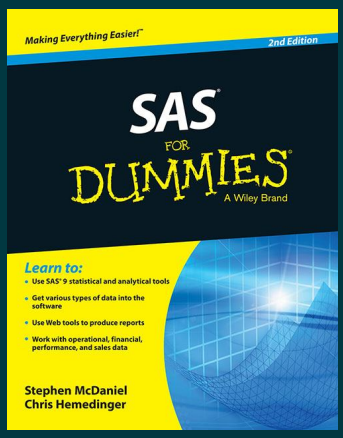
WILEY



SAS For Dummies, 2ed

By Stephen McDaniel, Chris Hemedinger

Paperback 9788126560448 ₹739.00

Pages: 388

Description

Written by an author team who is directly involved with SAS, this easy-to-follow guide is fully updated for the latest release of SAS and covers just what you need to put this popular software to work in your business. SAS allows any business or enterprise to improve data delivery, analysis, reporting, movement across a company, data mining, forecasting, statistical analysis and more. SAS For Dummies, 2nd Edition gives you the necessary background on what SAS can do for you and explains how to use the Enterprise Guide.

About the Author

Stephen McDaniel, Chris Hemedinger

Chris Hemedinger is a senior software manager in the Business Intelligence division at SAS. Chris began his career at SAS in 1993 as a technical writer. In 1997 he became involved in a prototype project to make SAS easier to use for non-programmers -- that project evolved into the hugely popular SAS Enterprise Guide
