WILEY

Dive into Python 3: Covers Python 3.1

By Mark Pilgrim, Jesse Noller

Paperback 9788184899115 ₹- Price

Pages: 412

Description

Mark Pilgrim's Dive Into Python 3 is a hands-on guide to Python 3 and its differences from Python 2. As in the original book, Dive Into Python, each chapter starts with a real, complete code sample, proceeds to pick it apart and explain the pieces,and then puts it all back together in a summary at the end.

About the Author

Mark Pilgrim, Jesse Noller

Mark Pilgrim is a developer advocate for open source and open standards.
