Pages: 564

Description

NMAT by GMAC™ Official Guide Tenth Edition is a must-have book for those who want to attain a high score on the prestigious NMAT exam. It has been created by the exam conducting authority (GMAC™) and is the only source of Real NMAT Questions from past exams. The book steers clear of jargon and explains even the most complex concepts in a simple-to-understand language. What further differentiates this book is the various question-specific and section-specific strategies that it uses to analyze the various elements of the exam. These methods provide you invaluable skills to arrive at the correct answer and develop the ability to solve any question type, no matter how difficult. The various aspects of the key topics have been discussed with relevant examples, keeping in mind the exam patterns of the past years' NMAT.

About the Author

GMAC

The Graduate Management Admission Council (GMAC™) is a global non-profit organization comprised of leading graduate business schools around the world. GMAC™ is the maker of the GMAT and NMAT by GMAC™ exams. GMAC believes that business and management are critical to the economic and social well-being of people worldwide. It advocates for graduate management education and its value to individuals and society. GMAC strives to increase access in order to grow and diversify the candidate pool; develop assessments to meet global management education needs; and extend the value to schools with its products, services, and industry knowledge. GMAC meets the needs of management schools, and current and prospective students, through a wide array of products, services, and programmes designed to open doors for students, professionals
