Sustainable Fashion For Dummies

By Paula N. Mugabi

Paperback 9789363861718 ₹795.00

Pages: 272

Description

Want to learn how to make more ethical fashion choices? Sustainable Fashion For Dummies will teach you how to pick up new habits that align with a more sustainable future. The rise of fast fashion in recent years has contributed to unsafe work environments, unfair wages, and toxic pollution. With sustainable fashion, you can have groovy clothing and accessories that are produced in an ecologically and socially responsible manner, using quality products and long-lasting materials. You don’t have to sacrifice your natural fashion sense—the sustainable fashion movement is responsible for some of the most exciting new trends. Pick up this easy-to-read handbook for practical tips and strategies on making more environmentally friendly fashion choices.
