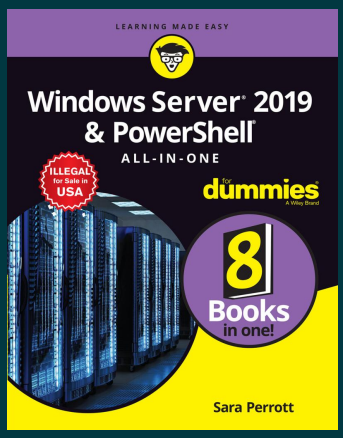
WILEY



Windows Server 2019 & PowerShell All-in-One For Dummies

By Sara Perrott

Paperback 9788126534500 **₹949.00**

Pages: 780

Description

Windows Server runs about a third of the hardware that runs the Internet. This book offers a single reference to help you build and expand your knowledge of all things Windows Server, including the all-important PowerShell framework. Written by a pair of networking pros, this book covers the broad range of topics a system administrator needs to know to run Windows Server 2019, including how to install, configure, and secure a system.
