WILEY

French for Dummies, 2ed

By Dodi-Katrin Schmidt, Michelle M. Williams, Dominique Wenzel, Zoe Erotopoulos

Paperback 9788126534661 **₹849.00**

Pages: 384

Description

With this new edition, our bestselling French immersion title moves to the front of the crowded language learning shelf. Heeding the input of language experts as well as our customers, French For Dummies, 2nd Edition, features more than 25 percent new and revised content, while preserving the book's unique qualities that customers appreciate. The book features a revamped, user-friendly organization building on the reader's knowledge and ability, plus expanded coverage of necessary grammar for the beginner as well as a more focused approach to major tenses and conjugations that readers at this level need to know.
