WILEY

Swing Trading For Dummies, 3ed

By Omar Bassal

Paperback 9789377062019 ₹775.00

Pages: 368

Description

Swing Trading For Dummies, 3rd Edition covers the key aspects of swing trading, including what swing trading is (and isn't) and how to spot promising market opportunities that could make you a big profit. In easy-to-understand language, this guide helps you drill down on your trading approach, detailing imperative analysis strategies and comprehensive advice on when to enter and exit a swing trade to ensure you're in the green. This approachable guide helps eliminate the risks associated with swing trading, ensuring you're completely informed on how to utilize this popular trading strategy with success.
