eBook - Fail Fast, Learn Faster: Lessons in Data-Driven Leadership in an Age of Disruption, Big Data, and AI

By Randy Bean, Thomas H. Davenport

eBook 9789373324302 ₹- *Price*

Pages: 272

Description

Fail Fast, Learn Faster explores the rise of Big Data, its disruptive business impact, and the cultural and ethical challenges of becoming data-driven in an age of AI and disruption. It highlights the need for a true data culture, lessons from data-driven leaders, and the evolving role of Chief Data Officers to help companies compete and innovate quickly.
