eBook - Security Technologies and Social Implications

By Garik Markarian, Ruza Karlovic, Holger Nitsch, Krishna Chandramouli

eBook 9789373321837 ₹- *Price*

Pages: 352

Description

Security Technologies and Social Implications explains the use of new technologies such as AI, machine learning, drones, and computer vision in modern policing and security. It discusses legal, ethical, and organizational challenges, and the impact of these technologies on crime prevention, investigation, and prosecution. It serves as a resource for law enforcement and security professionals.
