WILEY

eBook - Unruly: Fighting Back when Politics, AI, and Law Upend the Rules of Business

By Sean West

eBook 9789377067571 ₹- Price

Pages: 304

Description

This book analyzes how rapid changes in politics, regulation, and AI are reshaping modern business. It offers frameworks to help leaders navigate uncertainty, risk, and disruption. Through real-world examples, it shows how organizations can remain resilient in an increasingly unpredictable environment.
