eBook - Decision Intelligence: Transform Your Team and Organization with AI-Driven Decision-Making

By Thorsten Heilig, Ilhan Scheere

eBook 9789377065539 ₹- *Price*

Pages: 240

Description

Decision Intelligence provides a practical guide for leveraging AI and data to enhance organizational decision-making. It bridges behavioral science, data science, and technology to improve decision quality, agility, and speed. The book covers AI models, business applications, the evolution of decision intelligence, organizational culture, and the importance of human expertise in AI-driven decisions.
