

Managing Marketing: A Concise Approach

By Noel Capon, Siddharth Shekhar Singh

Paperback

9788126548521

₹1,499.00

Pages: 544

Description

Managing Marketing: A Concise Approach is about understanding how to develop market strategy, implement market offers and manage the marketing process. This is not a book that attempts to describe all there is to know about marketing, but focuses on what the prospective manager needs to know. Managing Marketing: A Concise Approach differs from other senior undergraduate and introductory graduate marketing texts. The authors take a position on what they believe is a better or worse course of action for marketers. Marketing is an applied field; the authors believe they should provide guidance for good marketing practice.

About the Author

Noel Capon, Siddharth Shekhar Singh

Noel Capon is the R. C. Kopf Professor of International Marketing and past Chair of the Marketing Division

Table of Contents
