
Management Accounting: Concepts and Strategic Costing Decision

By Kanhaiya Singh

Paperback 9788126556373 **₹1,639.00**

Pages: 696

Description

The book focuses on costing decision practices followed and practiced in the industry while taking various business operation decisions. Each chapter highlights the concepts of management accounting and links it to practical decision situations. Besides, there is an exhaustive coverage of new techniques in costing decisions such as Activity-Based Costing, Target Costing, Value Chain System, Price and Profitability Analysis, Balanced Scorecard, Global Perspective of Management Accounting, etc. It is written in an interactive manner which makes the readers understand and grasp the concepts comfortably. The numerical questions, both solved and unsolved, provided in the chapters are attributed towards decision-making situations.
