

Industrial and Organizational Psychology: Research and Practice

By [Paul E. Spector](#)

Paperback

9788126558599

₹870.00

Pages: 464

Description

Unlike any other book of its kind, Industrial and Organizational Psychology: Research and Practice provides an extensive and clear overview of the field, without overwhelming today's I/O Psychology student. Author Paul Spector provides readers with (1) cutting edge content and includes new and emerging topics, such as occupational health and safety and (2) a global perspective of the field. Industrial and Organizational Psychology: Research and Practice, 6th Edition is available in alternate versions (eBooks and custom) for professors and students.
