WILEY

Cybersecurity for Dummies

By Joseph Steinberg

Paperback 9788126562138 ₹849.00

Pages: 380

Description

Protecting your business and family against cyber attacks! If keeping your business or your family safe from Cybersecurity threats is on your to-do list, Cybersecurity For Dummies will introduce you to the basics of becoming cyber-secure! You will learn what threats exist, and how to identify, protect against, detect, and respond to these threats, as well as how to recover once there has been a breach! This book helps you identify vulnerabilities that may make you a target of cyber-crime and helps you stay on top of your security game.

About the Author

Joseph Steinberg

Joseph Steinberg is a CyberSecurity and Emerging Technologies Advisor. He has led businesses within the information-security industry for over two decades, wrote the official study guide from which many CISOs study for certification exams
