WILEY

Financial Accounting, 2ed: Fundamentals, Analysis and Reporting

By R. K. Arora

Paperback 9788126575701 ₹925.00

Pages: 552

Description

The book Financial Accounting – Fundamentals, Analysis and Reporting takes the students through the subject matter of Financial Accounting in a step-wise manner. Chapter 1 provides the basics of accounting and its uses. Chapters 2 and 3 introduce the financial statements prepared by business enterprises. Chapters 4 to 9 and Chapter 11 then explain the detailed process of preparing simple and intricate financial statements of both noncorporate and corporate entities, including banking companies. After this, the analysis of the financial statements from the perspective of managerial decision making is explained in Chapter 12.
