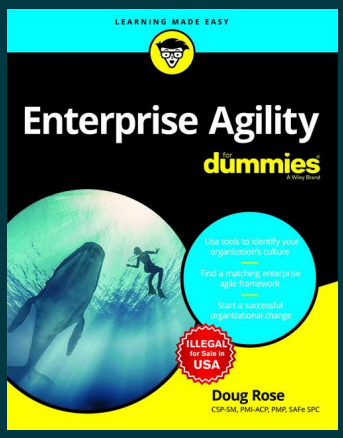
WILEY



Enterprise Agility For Dummies

By Doug Rose

Paperback 9788126576128 ₹639.00

Pages: 392

Description

An enterprise agile transformation is a radical organizational change, and this book can help you manage that change. A successful transformation depends on understanding your organization's culture, and choosing the right enterprise agile framework based on that culture. You'll also get ideas on how to put together a change management plan that will earn you organizational buy in and support.
