Description

Instagram is the photo- and video-sharing app used by millions across the globe. More than just a social platform for users to share their experiences with family and friends, it's become a vital tool for business owners and marketers to create visual narratives about what makes them, and their products, different from everything else that's out there. Instagram For Business For Dummies shows you how to use the app to connect with your audience in a meaningful way as you showcase your products and offer a unique insider's view of your brand. Perfect for Instagram newbies or those who want to spruce up an existing account, this book helps you set up a powerful business profile, compose successful posts, and tell your story to the world.
