WILEY

Android in Action, 3ed

By W.Frank Ableson, Robi Sen, Chris King, C.Enrique Ortiz

Paperback 9789350042915 ₹999.00

Pages: 660

Description

Android in Action, Third Edition takes you far beyond "Hello Android". You will master the SDK, build WebKit apps using HTML 5, and even learn to extend or replace Android's built-in features. You will find interesting examples on every page as you explore cross-platform graphics with RenderScript, the updated notification system, and the Native Development Kit. This book also introduces important tablet concepts like drag-and-drop, fragments, and the Action Bar, all new in Android 3.

About the Author
