

Practical Data Science with R

By [Nina Zumel](#), [John Mount](#)

Paperback

9789351194378

₹899.00

Pages: 416

Description

Practical Data Science with R shows you how to apply the R programming language and useful statistical techniques to everyday business situations. Using examples from marketing, business intelligence and decision support, it shows you how to design experiments (such as A/B tests), build predictive models, and present results to audiences of all levels.

About the Author

Nina Zumel, John Mount

Nina Zumel and John Mount are cofounders of a San Francisco-based data science consulting

Table of Contents

Part 1 Introduction to data science

- The data science process
- Loading data into R
