

Managerial Economics, 9ed (An Indian Adaptation)

By William F. Samuelson, Stephen G. Marks, Jay L. Zagorsky, Sujata Kar

Paperback

9789354640285

₹1,050.00

Description

Managerial Economics introduces undergraduates, MBAs, and executives to the complex decision problems today's managers face, providing the knowledge and analytical skills required to make informed decisions and prosper in the modern business environment. Going beyond the traditional academic approach to teaching economic analysis, this comprehensive textbook describes how practicing managers use various economic methods in the real world.
