WILEY

Mathematical Methods in the Physical Sciences, 3ed (An Indian Adaptation)

By Mary L. Boas

Paperback 9789354644252 ₹1,250.00

Pages: 888

Description

Mathematical Methods in the Physical Sciences, third edition, provides a comprehensive introduction to the areas of mathematical physics. Combining all the essential math concepts into one compact, clearly written reference, the book helps students develop a basic competence in each of the many areas of mathematics needed in advanced courses in Physics, Chemistry, and Engineering. With the emphasis on building a strong foundation, students are given an idea of how the methods can be used along with simple applications.

About the Author

Mary L. Boas

Mary L. Boas is currently professor emeritus in the physics department at DePaul University.

Adapted by

Abhinav Pratap Singh

Assistant Professor
