WILEY

Hedge Funds For Dummies, 2ed

By Ann C. Logue

Paperback 9789357460330 ₹959.00

Pages: 368

Description

Hedge Funds For Dummies 2e is the perfect resource for anyone who wants to diversify his/her portfolio and explore the world of hedge funds. It's packed with helpful information that teaches readers about the types of hedge funds they can invest in and how to research them, how to safely invest in managed hedge funds, the risks and rewards involved in hedge funds, and how to look for a broker. While hedge funds have a reputation for being risky, Hedge Funds For Dummies 2e shows you how to avoid common mistakes of failed hedge funds so you can set up a surefire strategy to ensure profitability and success.
