Description

NMAT by GMAC™ Official Guide Ninth Edition is a must-have book for those who want to attain a high score on the prestigious NMAT exam. It has been created by the exam conducting authority (GMAC™) and is the only source of Real NMAT Questions from past exams. The book steers clear of jargon and explains even the most complex concepts in a simple-to-understand language. What further differentiates this book is the various question-specific and section-specific strategies that it uses to analyze the various elements of the exam.
