Pages: 256

Description

Dreamweaver CC In Simple Steps is a book that helps you learn the procedure to create a website in Adobe Dreamweaver CC. Being precise and complete, it offers the reader a cutting edge in the field of Website development. An easy-to-understand style, lots of examples to support the concepts, and the use of practical approach to learn the features of Dreamweaver together make the book unique itself. The content in the book is presented in such a way that it will be equally helpful to the beginners as well as professionals.

About the Author

DT Editorial Services

DreamTech Editorial Services (DTES) has been providing quality learning to a wide spectrum of readers across India. Imbibing the spirit of Knowledge, Creativity and Experience, DTES has presently become one of the leading publishers of IT, Engineering and Management books in India today. Our dynamic work culture passionately pronounces our lasting commitment to quality and technical accuracy of our books. Our effort to continuously enhance and enrich the quality of our books, published under different series catering to the specific needs of each segment of the readers, is a sturdy affirmation towards this end. DTES focuses largely in three segments: computers and technology, career and competition, and business and management.
