Illustrator CC in Simple Steps

By DT Editorial Services

Paperback 9789388425261 ₹349.00

Pages: 288

Description

Illustrator CC In Simple Steps provides an in-depth, step-by-step approach to learn and master the skills required to work with Illustrator. This book focuses on the key concepts of vector drawing in Illustrator. The book begins with an introduction to all the new and enhanced features of Illustrator CC, such as Properties panel, Puppet Warp tool, Variable font, OpenType SVG fonts, Live corners, Typekit font, Curvature tool, Join tool, and Shaper tool. An easy-to-understand and systematic approach that starts from the basics, supplemented with practical examples and screenshots, makes the book unique. The content of this book is presented in such a way that it will be equally helpful to the beginners as well as the professionals.

About the Author

DT Editorial Services

Dreamtech Editorial Services (DTES) has been providing quality learning to a wide spectrum of readers across India. Imbibing the spirit of Knowledge, Creativity and Experience, DTES is presently one of the leading publishers of IT, Engineering and Management books in India. Our dynamic work culture passionately pronounces our lasting commitment to quality and technical accuracy of our books. Our effort to continuously enhance and enrich the quality of our books, published under different series catering to the specific needs of each segment of the readers, is a sturdy affirmation towards this end. DTES focuses largely in three segments: computers and technology, career and competition, and business and management.
