WILEY

Python All - in - One For Dummies

By John Shovic, Alan Simpson

Paperback 9789388991216 **₹1,019.00**

Pages: 712

Description

There's almost no type of project that Python can't make better. From creating apps to building complex web sites to sorting big data, Python provides a way to get the work done. Python All-in-One For Dummies offers a starting point for those new to coding by explaining the basics of Python. Experienced coders looking for more than the basics can also find how Python can be applied to projects in the enterprise, including data analysis and other major undertakings.
