WILEY

Business Law for Managers, 2ed

By Prof. (Cmde) P.K. Goel

Paperback 9789391540449 ₹699.00

Pages: 372

Description

The book Business Law for Managers is exclusively designed for management students, corporate managers, teachers and other readers to understand the legal framework within which businesses operate. It will help the readers to understand legal and regulatory issues affecting or likely to have a bearing on the profitability and sustainability of the businesses. The book is divided into ten chapters that cover various aspects of different business laws, namely, Contract Act, Sales of Good Act, Partnership Act, Negotiable Instruments Act, Consumer Protection Act, Information Technology Act and Companies Act.
