WILEY

Business Intelligence For Dummies

By Swain Scheps

Paperback 9789363861138 ₹959.00

Pages: 384

Description

Business Intelligence For Dummies makes BI understandable! It takes you step by step through the technologies and the alphabet soup, so you can choose the right technology and implement a successful BI environment. You'll see how the applications and technologies work together to access, analyze, and present data that you can use to make better decisions about your products, customers, competitors, and more.

About the Author
