WILEY

SQL All-In-One For Dummies, 3ed

By Allen G. Taylor

Paperback 9788126534494 ₹959.00

Pages: 776

Description

SQL is the international standard language for creating and maintaining relational databases. This book is a compendium of information about SQL and relational database design, development, and maintenance. The eight mini-books cover the full spectrum of issues that arise in building, using, and maintaining relational database systems.
