JavaScript Essentials For Dummies

By Paul McFedries

Paperback 9789363866775 ₹- Price

Pages: 192

Description

The concise and digestible get-started guide to JavaScript programming

JavaScript Essentials For Dummies is your quick reference to all the core concepts about JavaScript—the dynamic scripting language that is often the final step in creating powerful websites. This no-nonsense book gets right to the point, eliminating review material, wordy explanations, and fluff. Find out all you need to know about the foundations of JavaScript, swiftly and crystal clear. Perfect for a brush-up on the basics or as an everyday desk reference on the job, this is the reliable little book you can always turn to for answers.
